Presidents Report

Hi All. Welcome to a new year and a new Committee.

Our new Committee now consists of:

President –	Errol Croft
Vice President -	Adam Price
Treasurer	Dave McFarlane
Secretary	Peter Scheer
Committee (2 year term)	Ashley Smith
	Dave Beech
	Karin Price
Committee (1 year term)	Peter Hill
	Lionel Moore
	Les Ballantyne

Matt Bignell has decided to have a well earned break from the Committee but will continue to be Bar Manager for the club and will take Aircraft bookings for the Club Plane.

Thanks Matt for all those years you put in and all those emergencies you attended at the Airfield.

The positions for the Committee have been allocated and Karin Price has taken up the position of Social. Thank you Karin. Ashley Smith has made a welcomed come back and will be in charge of House and Grounds. Peter Scheer is our new Secretary. Dave McFarlane is still Treasurer and Dave Beech is still in charge of Aircraft and Flight Training. Peter Hill is Club Captain with Lionel Moore and Les Ballantyne making up the NAC Committee.

Well done all.

There may be a bit of shuffling but it is fantastic to see numbers on the Committee. A big thanks go to Gren Putland , Heather Deegan and Matt Bignell for their input over the many, many years. Lots of new ideas have come in and I will keep you updated. We have had a few members wanting to have a briefing on the new weather format and a few other flying questions so I am trying to arrange our ever busy Instructor Murray Bow to do a briefing on this at our club rooms at 4.0ppm on 25th August but will confirm this in an email. This is a Saturday and then we can have a few beers afterwards. The airfield and wheat belt is looking fantastic and already the canola is out in flower.

I finally managed to get young Ray Howell over to the clubrooms and he was very impressed with the Airfield and the bookshelf with all his books that he so kindly donated to the NAC. Many interesting stories can be uncovered when you have a conversation with Ray.

Cheers,

Errol

Club Captains report

Our Flying Comp for August was a Cross Country Air Trial to Muresk and other Waypoints
Congratulations to all Competitors!

First Place Ashley Smith, well flown Ashley!

Second Peter Hill

Third Trevor Sangston

Fourth Ian Berry

All pilots flew well and flew Safely,scores very close as usual.

Thank You to our Judges,your Work is highly valued.

Thank you Ladies for the scrumptious Morning Teas again! Megan,Makayla,Shay and Kate!

Next NAC Flying Comp is Sunday 9 th September 9 am at Northam Airfield.....

Circuit Work! "H.M.A.S. Northam" (see the full Comp Sheet here)

Be there for some thrilling close up Flying. lots of photo ops too!

Kind Regards

Peter Hill NAC Club Captain 0450415947.

FOR SALE

Piper Cherokee PA28-180

VH- RXA

\$35,000

The editor has reluctantly decided to part

With his beloved little 180.

This is a great little aircraft with over the asking price spent on her in the last 2 years.

Sadly I don't need 4 aircraft.

She has done only 100 hours on a rebuilt engine.

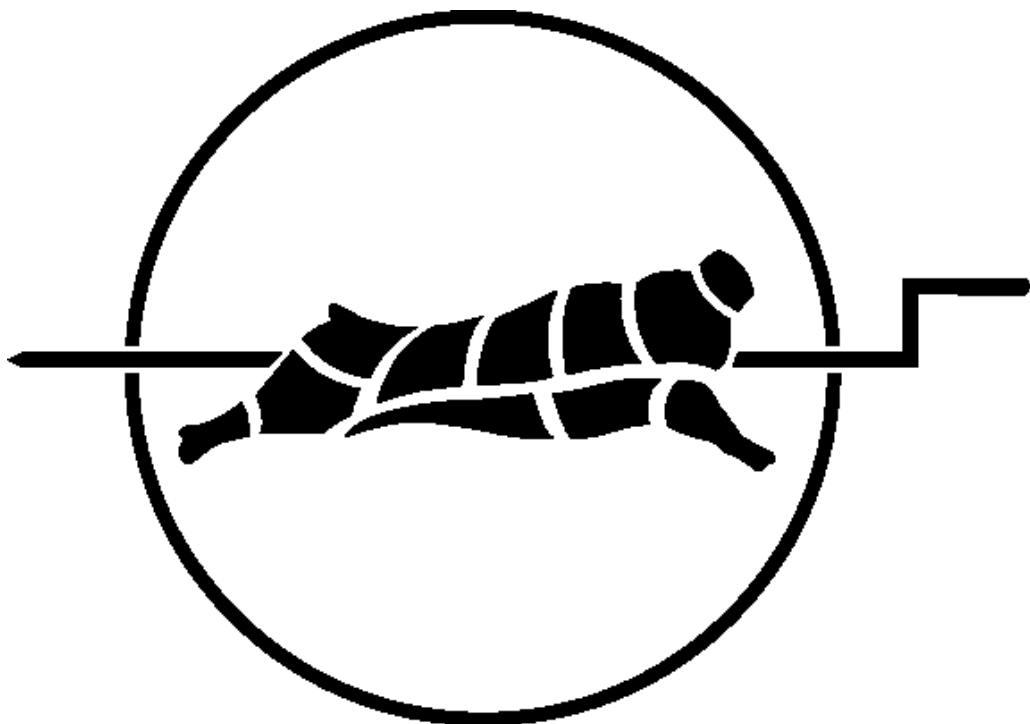

Has new windows all round, corrosion proofing, new alternator and lots more.

Call MJ for more information on,
0408 439 160.

Lamb on a Spit

Saturday 8th September

Ashley Smith has very kindly offered to put a sheep
on a spit at the Aero Club

We are also hoping to have the fire going outside and
look forward to seeing as many of you that would like
to join us for what will be a great feed and awesome
company!

Bar opens at 5pm

Our Very Own Library

Pictured left is Ray Howell, a Club Member who has been an important part of the Northam Aero Club over the years. Ray has donated a large number of aviation related books to the Aero Club and we have displayed them in our new bookshelves. These books are available for the enjoyment by all members. Thanks Ray for your generosity, I am sure the books will be made good use of.

AvSafety seminars for pilots and engineers

September 2018

Enhancing pilot skills in a dynamic environment

CASA’s Aviation Safety Advisors (ASAs) will run a new series of AvSafety seminars—*Enhancing pilot skills in a dynamic environment*.

This seminar will discuss how knowledge of human factors in three essential pilot skills will enhance aviation safety.

- Communication
- Situational awareness
- Threat and error management.

Using practical examples, the seminar will look at enhancing the skills involved with radio communications around aerodromes and maintaining situational awareness in a dynamic and changing environment.

The seminar will also introduce the role of threat and error management and we’ll also discuss techniques to complement the technical aspects of flying an aircraft.

The seminars are an ideal opportunity for you to interact with your aviation safety advisor (ASA), to discuss local issues and ask questions of the regulator.

Register now via Eventbrite. Attendance is free.

Locations and dates are as follows:

Albany	Thursday 6 September	Register Now
Kalgoorlie	Friday 14 September	Register Now
