Presidents Report

I would like to welcome our two newest Members Adam Buchanan and Sven Tetlow – Welcome.

As you will have heard or seen Fedor Konyukhov and son Oscar have arrived in Northam and been introduced to the Aero Club. A big welcome is extended to Fedor and Oscar together with their team. A very interesting group so if you get a chance before they depart get down and meet them.

Our Annual Dinner is on Saturday 16th July 2016 so put your name down now.

Our Annual General Meeting is to be held on Friday 26th July 2016 and volunteers to join the Northam Aero Club Committee are still open.

Please consider being a part of it.

West Australian Light Aircraft Championships will be held on Saturday 22nd October 2016 and as mentioned previously, Northam Aero Club need to supply 1 x Team of five Judges for approx. 3 hours plus approx. 1 hour of training. This can be one team of 5 per hour which equates to maybe 15 volunteers. Depending on weather it may be morning or afternoon. We have about 120 members and it would be a feather in our cap if we can supply these judges so also putting your name forward either on our website or call me or email secretary@northamaeroclub.com.

You can make your own team up of five if you prefer.

I would like to once again thank Dave Beech for his donation of the whipper snipper to our Club. It is people like Dave that helps make Northam Aero Club successful. Thanks Dave.

PGL has had metal found in the engine during its 100 hours, has ended up being serious so with only around 300 hours left to run, we have decided to go for new engine and gain our 2000 hr new engine life. Unfortunately Instructor Rates have gone up again, but we have left plane hire rates the same. With PGL being out of service for many weeks now could be the time to look at purchasing a RA plane or look at a C152. Your feedback will be most welcome. If a purchase is to take place the majority of members have to agree.

Until next month.

Cheers, Errol Croft, 0429 880 149

Club Captains Report

Sunday 12 th June was our Monthly Flying Comp.
CIRCUITS x 3 ,with radio calls etc.
First circuit was Missed Approach/Go Around.
Second circuit was a Flapless Landing .
Third circuit was a Glide Approach from overhead threshold or abeam threshold downwind as per individual preference.
All TEAM NAC pilots had full Comp Sheets 30 days prior as usual, so ample time to read/print off /fly some practice circuits.
Nice flying conditions, 5 knots crosswind Rwy 32.
TEAM NAC all enjoyed a very busy session of Circuit Work.
Scores were again closely grouped together.
Visitors had great seats and lots of entertainment as TEAM NAC pilots put on a great demonstration of how to nail Flapless and Glide Approach landings etc.
Results came down to a matter of metres on or off the keys to decide the finishing order.
A great morning tea spread from the ladies again.
Marg, Megan and Beth--THANK YOU!
Marg and Dave had a very tasty lunch for us after the Comp too!
A lovely way to round off a great morning.
